## RUSSELLVILLE NURSERY CO.

EAST 96TH AND BURNSIDE STREETS  
R. R. 7 - BOX 85 - PHONE TABOR 0204

PORTLAND, OREGON

(1925-26)  
**TO OUR CUSTOMERS**

Russellville Nurseries are located East of Portland, Oregon, and can be reached by automobile from Base Line Road or East Glisan Street to East Ninety-Sixth. The Montavilla Depot electric car connects up with the Troutdale Interurban line, and Russellville Station is the first stop.

We have been in business for thirty-four years at the same place, growing gradually and steadily during this time, with the motto "Satisfied Customers Our Biggest Asset."

Our trees and shrubs, fruit and ornamentals are Oregon grown "Without Irrigation," and are sure to give satisfaction to our customers.

For general information to our friends and patrons, it should be known that there are no less than two years invested in every shrub and tree that leaves our place. When you buy a tree or a shrub from the Nursery, that plant, quite often, represents from three to five years of special care and expert attention. The Nurseryman has found through years of experience and careful figuring that for every tree he sells, it is unavoidably necessary to grow two trees. In other words, he markets 50 per cent.

The Nursery business is a profession by itself, and the Nurseryman must not only persevere with continued application of hand and mind, "He must deliver the goods." We wish to maintain our old-time friendships, and we are always anxious to make new acquaintances. We solicit your patronage and your co-operation.

**GUARANTEE:** We guarantee our stock to arrive in good condition for planting; true to name; and free from dangerous insect or plant disease. We suggest that trees or shrubs be heeled in good soil immediately upon receipt of goods, and that they be left there until you are ready to make permanent planting. Stock failing to grow will be replaced by us, at reasonable cost, providing the Nursery is notified by July 15th following date of delivery. Planting instructions will be sent upon request.

We exercise the greatest care in delivering first-class, true-to-name Nursery stock, and hold ourselves in readiness to replace same when proven otherwise. But, at no time, will we be held liable for an amount greater than the original price.

All orders taken with understanding same shall be void should injury befall the stock from flood, draught, fire, frost or other causes beyond our control.
